Plant Tours and Guest Speaker Info

MIKE - WINTER 2015

Possible JPL Plant Tour

- Great experience for an aspiring IE
 - Aiming for a visit on Friday, February 13, 2014
- Waiting for approval and background check of visitors
- Must be a citizen or permanent resident
- **Need to be paid member and have IIE Polo**
- If there is high demand a lottery will select which 10 students can go

Mission to Mars:
Insight

Mentorship Program

MARC - WINTER 2015

Mentors provide professional networks, outlets for frustration, college and career counseling, general life advice, and most importantly, an extra voice telling a student they are smart enough and capable enough to cross the stage at graduation and land their first paycheck from a career pathway job.

-[Gerald Chertavian](#), Entrepreneur

What is our Mentorship Program about?

- ▶ Bridging the gap between upper classmen and lower classmen
- ▶ Networking opportunities
- ▶ Practice building professional relationships
- ▶ How to implement mentorship program

Mentorship Program Update!
